

Dollars & sense: *The 'bottom line' benefits of apprenticeship training*

On **Wednesday March 26th, 2008** the Hamilton Training Advisory Board and the Grand-Erie Training and Adjustment Board in partnership with the Canadian Apprenticeship Forum-Forum canadien sur l'apprentissage (CAF-FCA) are hosting a Forum specifically for you as a skilled trades employer.

Why attend?

- ✓ **Learn** about the key findings from a groundbreaking CAF-FCA study which found that apprenticeship training is a profitable investment. Employers from across the country were surveyed and the data collected was based on employers' own experiences.
- ✓ **Hear** from an expert. A chartered accountant from Bettsworth, Johnson will explain how you can maximize usage of incentives and tax credits and answer your questions.
- ✓ **Discuss** training as a competitive advantage with other employers.
- ✓ **Meet** with representatives from community agencies who provide support for apprenticeship training.
- ✓ **Take away** valuable resources on wage subsidies and tax credits.
- ✓ **Ensure** your voice is heard. Tell us what you think and help us meet your needs with research and information that addresses the realities of your business
